Mike on behalf of the U387 Team at Karmax we would like to thank you for your support and expertise during the RE-PPAP of our Rail (7T43-78105A12/3) and H-Frame (∇ 7T43-7811368) assembly lines that took place in August 2006.

Karmax looks forward to working with your team in the future and would recommend and support RoMan Engineering on all future programs.
